

# IBM CLOUD ACCOUNT CREATION

The screenshot displays the IBM Cloud Dashboard interface. At the top, a dark navigation bar includes the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Ashifa N's Account). Below the navigation bar, the main dashboard area features a 'Dashboard' header with options to 'Edit dashboard' and 'Upgrade account', and a prominent blue 'Create resource' button. The central section, titled 'For you', presents a horizontal carousel of quick-start guides. These guides include: 'Build' (a large blue box with text about easy starter tutorials), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), 'IBM Watson Knowledge Catalog' (2 min), and 'Get started with IBM Watson Discovery' (2 min). Each guide includes a brief description and a 'Getting started' or 'Recommended' button. The bottom section contains three panels: 'User access' with a 'Manage users' link and a text input for email addresses; 'News' with a 'View all' link and links to 'SLSA Support in IBM Cloud Continuous Delivery' and 'WebSphere Application Server Support Restatement'; and 'Planned maintenance' with a 'View all' link. A blue chat bubble icon is located in the bottom right corner.
